

## Sponsor-A-Horse at Willow Creek Ranch

### Sponsor a Therapy Horse or Miniature Donkey

*We need your help!* Our therapy herd of horses costs Willow Creek Ranch more than \$20,000 annually to support their care and health needs – things like hay, grain, and supplements; farrier and veterinary care; riding equipment; and pasture/shelter care. We invite you or your business or *group\** to sponsor a therapy horse or donkey at WCR by making a \$1,500 contribution for their care. Your generous tax-deductible donation will allow WCR to care for a therapy horse/donkey for an entire year! (*\*this is a great opportunity for a scout troop, community group or family/friends group to support WCR!*)

Thank you,

Jennifer Pape, WCR Founder  
PATH Intl. Therapeutic Riding Instructor and Eagala Equine Specialist

### **What your sponsorship means to Willow Creek Ranch:**

The horses and donkeys are the most important component for our therapeutic riding program to address mental health and personal development needs. These most gracious animals must possess the kindest of hearts and be sound in both mind and body. There is no one breed that excels in our program as every horse has its own unique qualities. Different movements and personalities of different horses all hold a therapeutic value for individuals with physical and developmental disabilities or a person suffering from substance abuse, anxiety, depression or PTSD. Whether the horse is large or small, wide or narrow, smooth or springy step, it is in the heart of our horses where miracles happen.

Our horses came from a variety of backgrounds; however, all of them experience starting a new career when they begin their work at Willow Creek Ranch. Horses of all types and riding disciplines are donated or leased. Some horses come from the show ring, some from the race track, and others from lesson barns. Any breed can find a spot in our barn and in the hearts of our riders. Our horses display patience and tolerance for the work they have accepted. They are all well cared for and are loved by clients and staff alike. We're very pleased to offer these horses a second career, a second chance at life! See our gallery of horses at <http://www.willowcreekranch.org/about/horses/horses.html>

Our WCR horses are kept outside; we feel they are better left in a natural environment as much as possible. The horses have shelter outside, heated water tanks, and plenty of good quality hay to keep them busy. WCR has four pastures on its twenty-seven acre facility.

### **Please support a four-footed therapist through the Sponsor-A-Horse program.**

Support your favorite horse for a year of care (\$1,500) or through smaller donations to WCR. Your support of a WCR horse not only gives you huge bragging rights about "your" horse, but you will have the satisfaction of knowing how much you are supporting people with special needs and mental health issues.
